ESS's Stakeholder Survey is out! Please help us evaluate and improve by completing an online survey.

One important way we evaluate ourselves at ESS is our on-line survey which we send out every 2 years.

The survey is just nine questions long (7 multiple choice and two open questions) and should take less than 10 minutes to complete.

By filling in the survey you will help us understand what we do well (or not so well) so we can improve our work with you in the future.

Please click on the link below to access the survey.

The survey will run **until the 3 March 2013**. We will publish the results of the survey in May 2013 and use the learning to improve our work .

If you have any difficulties accessing the survey or want to ask us more about what ESS can do for you please contact us on:

info@evaluationsupportscotland.org.uk or phone 0131 243 2770

Thank you very much for taking the time to complete our survey!

Chat with ESS at The Gathering and book for our free event: Putting impact at the heart of the third sector!

"I know I make an impact but it's hard to prove!" "How do I find the time?" "How do I give funders what they want?" "How do I tell the real story behind the numbers?"

Inspiring Impact is a UK-wide programme to encourage and support the third sector to measure their social impact and to learn from their findings so that they can improve. Evaluation Support Scotland is the Inspiring Impact lead in Scotland.

As part of the Inspiring Impact programme in Scotland we will be holding the event "**Inspiring impact - Putting impact at the heart of the third sector**" at **The Gathering on 28 February (12 - 1 pm)**. We will tell you more about Inspiring Impact and how you can get involved. At this event you can tell us about your impact challenges (and successes!) and what we can do to help.

If you wish to attend this event please complete this [booking form](#). If you cannot attend the event, don't worry, you can still catch up with us at The Gathering's [stand number 24](#). Our stand will tell you more about our work and how we can help. We'll also give you the chance to evaluate us!

We hope to see you there!

ESS is recruiting!
Evaluation Support Manager
(£30,000)

ESS is based in Edinburgh and works with voluntary organisations and funders so they can measure and report on the difference they make and improve their services.

We are recruiting for someone who is passionate about working with people and organisations so they can learn and improve. You understand the challenges voluntary organisations and funders face in measuring the difference they make. You can design and deliver programmes of evaluation support to meet their needs and build positive relationships. You work in a friendly and accessible way to make complex topics more straightforward and fun.

Because we want the best candidate for the job, we will consider candidates who can work full time (35 hours) or 4 days a week (28 hours).

Does this sound like you or someone you know? Then why not check it out? We'll be taking applications until **4:00pm Monday 18 February 2013**. Visit our [vacancies](#) page for more details about the job and to download an application pack.
