

Thematic programmes

A Thematic Programme (TP) is a structured programme to help measure, explain and prove the contribution of the voluntary sector to a particular policy area. Read more about our thematic programmes and how they work here.

Current:

Threading the Needle

Violence against Women

Harmonising Indicators Project (HIP)

Families affected by imprisonment

Evidence

Measure

Explain

Completed:

A Stitch in Time?

Support in the Right Direction

Reversing the Trend

Experiencing Recovery (Everyone has a story)
